## What does this Privacy Policy Cover?

This Privacy Policy covers how we treat Personal Data that we gather when you access or use our Service. "Personal Data" means any information that identifies or relates to a particular individual and also includes information referred to as "personally identifiable information" or "personal information" under applicable data privacy laws, rules, or regulations. This Privacy Policy does not cover the practices of companies we don't own or control or people we don't manage.

## Changes to this Privacy Policy

Denali may change this Privacy Policy from time to time. Laws, regulations, and industry standards evolve, which may make those changes necessary, or we may make changes to our Service or business. We will post the changes to this page and encourage you to review our Privacy Policy to stay informed. If we make changes that materially alter your privacy rights, we will do our best to alert you to changes by placing a notice on the Denali website, by sending you an email, and/or by some other means. Please note that if you've opted not to receive legal notice emails from us (or you haven't provided us with your email address), those legal notices will still govern your use of the Service, and you are still responsible for reading and understanding them.

If you use the Service after any changes to the Privacy Policy have been posted, that means you agree to all of the changes. Use of information we collect is subject to the Privacy Policy in effect at the time such information is collected.
